RESULTS

Above: Car of the Show (SUN) winner went to an outstanding Ford Escort 1.3 Popular. The owner was in a state of shock when the result was announced!

Above: Car of the Show (SAT) winner went to this stunning black 1972 Mercedes from Scunthorpe. The owner was the first exhibitor on site on Saturday ... 8.15am (the show didn't open until mid-day!) A large trophy, Meguiar's ceramic detailer and a bottle of Moët from Peter Best Insurance for the Car of the Show winners.

Left: Fordsport - Best Club Display with their Wild West themed display and amazing range of cars were very worthy winners again this year.
Right: A new and very welcome face at Wonderland was Gary Matthews who travelled all the way from Anglesey with his Perana MKI V8 Turquoise rally Capri. Furthest travelled and Vehicle of Special Interest 2nd place - well worth the journey!
