FORD 120 YEARS CELEBRATED IN SCORCHING STYLE

It was one of the hottest weekends so far this year to celebrate 120 years of Ford

FORD 120 YEARS 1903-2023

Ford 120 Years time line on Sunday

From a Model-T to a 'freshly baked' Mustang ... we had them all on Ferry Farm fields this year for our celebration time line of 'Ford' through the years. A 1924 Model-T started the time line Saturday and a 1931 Model-A on Sunday.

John Palmer who brought along the Model-T encouraged us to have a drive of this iconic Ford. Ray (above) was one of the lucky members who had a go - he looks very much 'at home' at the wheel of the Model-T.

Our Ford 120 Years time line on Sunday also included:

- 1953 Ford pop Custom
- 1958 Prefect
- 1968 Cortina
- 1970 Capri MKI
- 1977 Capri MKII
- 1978 RS2000
- 1980 Cortina XR6
- 1980 Capri MKIII Janspeed 3.0S
- 1987 Sierra RS500 Cosworth
- 1991 Escort XR3i Cabriolet
- 2000 Racing Puma >

Special thanks to Andy Ellis, John Waide and RETROFORD magazine for allowing us to reproduce their article '120 Years of Ford' onto our large display boards. It was their article that inspired our time line displays. Right: Model-T v new Mustang
