

The BIG news for 2012 is that we have moved venue !

We are staging WONDERLAND 2012 on the huge show fields on the banks of the River Trent at Ferry Farm Park—Hoveringham, 5 miles North of Nottingham !

This is a beautiful green field site—not previously used for any type of car show and with plenty for the children to do at the Farm Park (20% entrance discount for festival visitors going through to the farm Park)

We have also moved dates from the previous Spring Bank Holiday weekend to avoid clashes with other events.

New features for 2012 will include :

- 'Olympic' themed display areas
- Saturday judging\*
- Saturday extended Public opening time until 6pm
- Reduced entry fees if booked and paid by 20.05.12 (see entry forms for details)

\* Sunday will still remain the main judging day with full range of categories as in previous years, but judging will also take place on the Saturday with broader categories. Why not come along for BOTH days and aim to win two awards ! **Your entry fee covers you for BOTH days**

**... PLUS ALL OUR FEATURE EVENTS LISTED ON THE MAIN FLYER & WEBSITE**

**IMPORTANT NOTES FOR 2012 :**

We will no longer be able to distribute entry passes on the gate. Exhibitors: You must either arrive with the your entry pass, or pay the 'On The Day' entry fee.

Only pre-booked entries will be eligible for judging (same as last year)

**Closing date for pre-booking & payment 20.05.12**

# WONDERLAND SHOW NEWS

**June 9th & 10th  
2012  
Hoveringham  
Nottingham NG14 7JP**

Our 2012 event is dedicated to the memory of Chris Hayward who died peacefully at home in November 2011 after a long battle against cancer.

Many will know Chris, who along side wife Helen organised the 'Club' bookings for our event and co-ordinated the Judging operation.

**Chris will be missed by all of us.**  
*A true friend and dedicated Capri Club member.*

**Chris Hayward**

## NEW for 2012

### 'Olympic' theme

The idea is to group 'teams' of cars from the same relevant country together on the show field and identify the countries with flags and display boards i.e.

**TEAM GB**—TVR's; MG's; Triumph's; Austin's; UK manufactured Ford's; Jaguar's etc and also cars modified in the UK such as the Tickford and Turbo Technics Capri

**TEAM USA**—Mustang's; Corvette's; Chevy's etc

**TEAM Germany**—Porsche's; VW's; BMW's etc

**TEAM Japan**—Mazda MX5's; Toyota MR2's etc

**TEAM Italia**—Ferrari's; Alfa's; Lancia's; Fiat's; Lamborghini's etc

*The more varied and obscure the country—the better !*

On the entry form this year is the option to 'tick' if you wish your car or bike to be included within the 'Olympic' themed area. Please specify the country to which your car/bike is most relevant—this may not necessarily be the country of initial manufacture e.g. a MKIII Capri built in Germany but modified by Tickford in the UK could be classed as a 'TEAM GB' entry !

Club stands with an 'Olympic' theme and plenty of flags would be most welcome !

### Classic & Sports car 'Festival'

We have adjusted our event name from a 'show' to a 'festival' as we aim to bring back the atmosphere of the early 'Old Skool' Wonderland events.

**... we're sure that you'll enjoy it !**
